

CAREER/JOB INFORMATION ON THE INTERNET

PLEASE NOTE: This listing was correct as of the date it was created. The nature of the Internet is such that it may not be correct by the time you try it.

AMERICA'S CAREER INFONET < www.acinet.org >

Sponsored by the US Department of Labor. Covers wages and trends, employment outlook, industry information, and more.

CAREER EXPLORATION RESOURCES < www.cob.asu.edu/corp/resources >

A list of Internet resources provided by Arizona State University's W.P. Carey School of Business dealing with career and job information.

CAREER AND EDUCATIONAL GUIDANCE LIBRARY: CAREER EXPLORATION LINKS

<www.uhs.berkeley.edu/Students/CareerLibrary/Links/occup.cfm>

Put together by the Career & Educational Guidance Library, part of the Counseling & Psychological Services housed within University Health Services at the University of California at Berkeley, this links you to resources for a variety of occupational and educational preparation programs. No jobs, but a nice way to find out how people really work.

CAREER GUIDE TO INDUSTRIES < www.bls.gov/oco/cg >

Occupations are listed by industry and include working conditions, employment, training and advancement, earnings and benefits, employment outlook, and lists of organizations that can provide additional information.

CAREER LINKS ON THE INTERNET < www.rpi.edu/dept/cdc >

College students wanting to know what to do with their majors once can find links to sites dealing with career choices upon graduation.

CAREER OPTIONS BY ACADEMIC/INDUSTRY AREA < www.ksu.edu/acic/career/options.html >

Created by the Academic and Career Information Center at Kansas State University. Users select a career area from the list and are presented with a list of professional and trade associations; links to occupational descriptions for this field; similar sites from other colleges and universities; career links by major; and job and career information online.

JOB AND CAREER INFORMATION ON THE INTERNET < infodome.sdsu.edu/research/guides/jobs.shtml#compilations >

Resumes, job hunting, job listings, internships, and other career information is provided by San Diego State University.

JOB PROFILES < www.jobprofiles.org >

A non-profit site on which short surveys completed by successful workers who like their work tell you about their occupations. Not comprehensive, but will provide a feel for what it is like to do a job.

JOBSTAR <www.jobstar.org/tools/career>

Originally developed for California job changers, this site includes articles on career information, links to resources, and lists of books to check for in your local public library. Definitely something we can all use.

OCCUPATIONAL OUTLOOK HANDBOOK <www.bls.gov/oco>

The online version of a publication the library has in paper provides career information for a wide range of occupations, including a brief review of important features and "what workers do on the job, working conditions, the training and education needed, earnings, and expected job prospects."

OCCUPATIONAL OUTLOOK QUARTERLY <www.bls.gov/opub/ooqooqhome.htm>

Articles with practical information on jobs and careers cover a wide variety of career and work-related topics such as new and emerging occupations, training opportunities, and salary trends.

O'NET RESOURCE CENTER <online.onetcenter.org>

Provides access to a database of occupational information, including skills, abilities, knowledge, work activities, and interests associated with over 950 occupations.

THE RILEY GUIDE TO EMPLOYMENT OPPORTUNITIES AND JOB RESOURCES ON THE INTERNET
<www.rileyguide.com>

Provides access to position and job hunting information in all fields, both U.S. and worldwide; advice on creating, posting, and updating resumes; links to newsgroups, mailing lists, salary surveys, electronic journals, and other websites; and more.

SAN DIEGO MESA COLLEGE HOME PAGE: COUNSELING; CAREER CENTER: JOB SITES AND RESUME WRITING HELP <www.mesacollege.net/career_center>

Links to job posting, job searching, and resume writing sites. Click on the "Job Links" button.

SOUTHERN CALIFORNIA JOB CAREER HELPLINE <www.so-cal-jobs.com>

A comprehensive listing of jobs in ten Southern California counties, including San Diego. Provides links to specialized employment web sites.

WETFEET <www.wetfeet.com>

A non-commercial site with information on careers; wage and employment trends in specific industries; and abilities, knowledge and skills needed for specific occupations. Includes links to other organizations and educational institutions.

WHAT CAN I DO WITH A MAJOR IN...? <web.stlawu.edu/career/major.htm>

Created by St. Lawrence University. Provides links to sites that show what kinds of jobs students might get if they enroll in various college majors.

Additional sites may be found via the Library's web site, <www.sdmesa.net/library/career.htm>, and by using the various search engines.
